M'n oncle, you were a very special uncle to us and our little ones Samuel, élyza, Marquis and Sophya. We will never forget the wonderful times shared with you, the delicious meals you prepared, the great bike rides we took, the wonderful laughs we had, the paparmanne' you offered, and those memorable driving lessons you gave us in your field when we were too young to drive! We will miss you, but never forget how wonderful you were and how much you loved us, took care of us and taught us. You were not only our uncle, but also our friend. We love you m'n oncle Antoine.
