

Elaine Yvette Jesmer, age 62, of Derry, NH passed away on Friday April 20, 2018.

Elaine was born on December 13, 1955 to parents Raoul Allard and Theresa (Kirouac) Allard.

Elaine had a love of nature and was happy spending her days in the garden surrounded by her beautiful flowers and singing birds. She loved to watch the birds at her many bird feeders and often made her husband Foss chase the squirrels away over and over again. She had a small furry friend that she named "Chippy" who would jump up on her lap and eat sunflower seeds right from her hands.

It was the simple things in life that gave Elaine the greatest pleasure. Being with her family was the most precious thing to her. No matter how hard her day was, Elaine always had a smile on her face and love for those around her. Nothing made her happier than watching her three adorable grandchildren play and grow up.

Elaine was predeceased by her father Raoul Allard and sister Irene Duke.
