The original 5 brothers were all born either in Saint-André or Sainte-Hélène, Kamouraska, Quebec, Canada. Their father Théophile Marchand was born in 1825. He and his wife Marie Obeline Dionne were married on February 17, 1852 in Saint-Andre, Kamouraska, Quebec, Canada. Obeline Dionne passed fairly young at the age of 35 (1829 - 1865). According to the 1871 census, an unknown woman, Justine Etalien was living with the family, probably to take care of the younger boys. Théophile (senior) remarried by 1873 and had a second family. His new wife was Alcide Marchand.
