

Miss Sally Wolter, G. Kirouac United In Marriage June 29th

The marriage of Miss Sally Wolter, daughter of Mr. and Mrs. Hugo W. Wolter of Farmingdale, N.Y., to George Joseph Kirouac, Jr., will take place on Saturday June 29. The bridegroom is the son of Mr. and Mrs. George J. Kirouac of Derby, Connecticut.

The ceremony was performed in St. Martin of Tours Roman Catholic Church in Bethpage, N.Y. by the Reverend Benedict Ricardo.

The bride given in marriage by her father, wore a princess style gown with a short train, of white silk organza and a mantilla of imported Spanish lace. Her bouquet was of white roses, stephanotis and ivy.

Miss Marianne Stafne of Fargo,

N.D. was the maid of honor. The other attendants were Mrs. Eleanor (Jerry M.) Wilson a cousin of the bride of Newark, Delaware, and Miss Anne Hall of Toronto, Canada.

The bridal attendants wore short, slightly flared gowns of blue silk organza with matching red-tinges, and carried bouquets of blue daisies and white chrysanth-

emums.

Mr. Calvin Peterka of Pittsburgh served as best man. The ushers included Mr. James Harper, also of Pittsburgh, and Mr. William Ash of Ithaca, N.Y.

Mrs. Kirouac is an alumna of Farmingdale High School and was graduated in June from Bemington College where she served as chairman of the Legislative Council and was a member of various other committees. She has represented the college throughout the East and midwest for the department of Admissions. She will be employed as a research assistant for the N.Y. State Legislature.

Her husband is an alumnus of Fairfield College Preparatory School and in 1960 was graduated from Rensselaer Polytechnic Institute where he was an officer of the fraternity of Alpha Chi Rho. He received his masters degree in February 1963, in Nuclear Science from Rensselaer and is presently a candidate for the doctor's degree in nuclear science there. Mr. Kirouac is a National Defense Fellow and a member of the research honorary society of Sigma Xi. Previously employed by the Oak Ridge National Laboratories, he is currently doing research work for the Linear Accelerator Laboratory in Troy, N.Y.

The reception was held in the garden of the brides home after which the couple left for a month's trip through Canada and Minnesota.

The bride's mother is a research associate on the faculty of Cornell University Medical College and her father is a member of the faculty of Farmingdale H.S. The groom's mother is a member of the faculty of the Oxford Elementary school and his father is a chemist for American Brass.
