

Gerald H. Wise

Jerry and his wife of almost 46 years Patricia had three daughters — Heather and her husband Ken Blanzky and their two children Patrick and Sarah; Audra and her husband Russell Sassack and their four children Evan, Troy, Jenna and Kyle; and Amanda.

Jerry is also survived by his sister Alice McFadyen, her husband Fred and their children Tim, Colleen (Jeff) Foster and Maura. He was predeceased by his parents Harry and Evalyn Wise.

Jerry was a graduate of Cass Tech High School, received an Engineering Degree from GM in Flint, Michigan and went on to spend his entire career with General Motors until the time of his retirement in the fall of 1992.

Pat and Jerry were fortunate to have traveled to Hawaii, Europe, Africa and all around the United States before and after his retirement.

He loved to golf, could fix just about anything and loved to watch sports — both professional and those that his grandchildren were participating in.

To this day, his grandchildren still enjoy the pool that he built in the backyard and the projects that he completed around the house are admired by all.

He was a kind man, a funny man, a smart man and will be greatly missed by his family and all who knew him.

*God saw you were getting tired
And a cure was not to be
So He put His arms around you
And whispered 'Come to me'*

*A golden heart stopped beating
Hard working hands now rest*

*God broke our hearts
To prove to us
He only takes the best.*

In loving memory of
