“ Kurt was a great friend through High School and was even the best man at my first wedding. It was great seeing him in a white tux and his dad in a suit. But after that our lives took different paths and we lost touch. I was always wondering how he was doing, but did not know how to get in touch with him after he moved to Kankakee. My heart is so sadden by the loss and the connection never realized. My thoughts and prayers to his family in their time of loss.
