To the Duhamel family-

I recently learned nearly a year after your loss of the passing of your mother and relative, LUCILLE (KEROACK) DUHAMEL. For many year my mother and Lucille were organists in neighboring parishes and were known to exchange French hymns and had business interactions as they were close in age and passed over a month apart. As that generation fades from our landscape, Lucille exemplified character with service to her family, community and talent in christian faith gifted as a musician. May her kindness and good deeds be rewarded in a better place. Respectfully submitted-
David Pelletier/Philadelphia, PA
