Hi Rolande!

RAYMOND & JANET (NAVARRA)

I am sorry to tell you that mom + Dad have passed.

(Janet) Mom died July 3, 2012. (COPD)

(Ray) Dad died Sept 21, 2013. (leukemia)

Dad was diagnosed with acute leukemia and died 12 days later. It was very sudden + unexpected.

ADDRESS:
10162 CLIFF DR.
HUNTINGTON BEACH
CA 92646

We tried to find everyone's contact info to let them know but it happened so fast + we couldn't find many names + addresses at Dad's house.

We now have the cottage and look forward to spending many years there.

Love,
Ellen (Navarra) Fischer
Lisa (Navarra) Nazione
+ John Navarra.
