Dad, You are the most incredible man I have ever met...you will always be my hero! I miss you terribly everyday..hardly a moment goes by that I don't think of you. I wish you were here with us. I know that is selfish of me with all the pain you were in, but I still wish you were still here, there is still so much I need to talk to you about. I can't wait to be with you again one day. Until that day Dad, I hope you rest in peace. I miss you and love you always... Your daughter, Pamela xoxox
