

Robert "Bob" Leonard Lamson

September 6, 1932 - March 24, 2022

DAVENPORT, FL - Robert Leonard Lamson, 89, passed away peacefully in his sleep on Thursday, March 24, 2022. Bob was born in Bangor, Maine on September 6, 1932, the son of the late John and Carolyn (Crowley) Lamson.

He is survived by his wife of 68 years, Jeanne (Kerouac) Lamson; brother, James Lamson of Southington, CT; son, Michael Lamson of Cary, NC; daughter, Michele Pelham of Daytona Beach, FL; son, Allan Lamson of Clermont, FL; and several grandchildren.

Bob attended Bangor High School and served in the U.S. Army. In 1955 he joined the Bangor Police Department where he served for 21 years. Later, Bob owned and operated Lamson Security Agency and was an EMT in Hermon, ME.

In 1981 Bob and Jeanne moved to Florida, where Bob worked for various employers including Disneyworld. In 2003 the couple retired to Polo Park East in Davenport, FL where Bob enjoyed interacting with the community and learning how to play golf. Over the course of 18 years, Bob made eight holes-in-one at the Polo Park East Golf Course - a record we still laugh about.

His golf buddies called him "Bobby" but his old friends and acquaintances from Bangor still remembered him as "Officer Bob." He was loved and will be missed by all.

Robert Lamson was buried with military honors on April 28 at the Florida National Cemetery in Bushnell, FL. In lieu of personal donations, please support your local first responders.

After reading Dave Witham's post about "Mr Lamson" coaching the Weber Oil baseball team in 1960, I wanted to mention that Bob Lamson was coach of my Little League baseball team - Rotary East - from 1966 to 1968. During that time, he took Rotary East from last to first. It too it was the defining moment of my formative years. Thank you Dad! :D

My condolences to the family of Mr. Lamson, which is the name that we members of the Webber Oil Babe Ruth baseball team used respectfully for him in the summer of 1960. His wife Jeanne and brother James might recall his volunteering to coach us, but I don't remember our knowing of his work as a police officer, and probably weren't aware of his willingness to head for the field after a long day in his patrol car.

Pleasant, relaxed, and tolerant of our youthful mistakes on the diamond, he was the ideal adult to help a group of 13-15 year-olds learn the fundamentals of the game, to develop self-discipline and be a good teammate. I'm grateful to have known him so many years ago and will always consider him a very positive influence during my formative years.

Sincerely

Remember him well. Bangor Public Library days. Great guy to talk to. About the only BPD Officer who never stopped me for speeding! Glad he had a good life. Condolences to family and friends, you must have plenty of memories to treasure.

I had the privilege of working for Bob at Lamson Security many years ago. I learned so much that I utilized through out my career. I also knew his wonderful wife Jeanne both personally and professionally , from her teaching CNA classes at Job Corp. I have thought of them both many times over the years. My thoughts and prayers go out to Jeanne and their family. Many wonderful memories come to mind that I will forever cherish.
