

Scott Michael Kyrrouac

June 13, 1960 - April 18, 2022

Scott Michael Kyrrouac, 61, of Terre Haute, Indiana passed away suddenly and unexpectedly on Monday, April 18, 2022, in Houston, Texas following a month-long battle against cancer. Until the end, Scott was the embodiment of the family motto that he worked to instill in his family: "Never give up," and passed in the arms of his partner of more than 20 years, Judy Fendrick, on his way to treatment at MD Anderson.

Scott was born on June 13, 1960, in Kankakee, Illinois to Richard and Pearl Kyrrouac. A lifelong athlete and sports fanatic, Scott grew up in Naperville where he won the 1977 Naperville Red & White Award for outstanding leadership both athletically and academically. Scott graduated with High Honors from the University of Illinois with a B.S. in Business Administration in 1982. He went on to study law at Indiana University School of Law - Bloomington. He joined Wilkinson, Goeller, Modesitt, Wilkinson & Drummy, LLP and moved to Terre Haute following graduation in 1985. He spent the entirety of his legal career at the Wilkinson Law Firm and was a partner at the firm.

Scott formed incredibly deep roots in Terre Haute after moving to the community. He was active in St. Joseph University Parish, Miss Softball America, Muscular Dystrophy Association, Terre Haute South Rotary Club, Boys and Girls Club and actively engaged in youth sports, both as a coach (softball, baseball, basketball, and soccer) and board member of the Vigo County Youth Soccer Association (VCYSA).

Scott was an accomplished lawyer and earned many prestigious awards and recognition over the course of his law career including the honors of Indiana Defense Lawyer of the Year and America's Top 100 Attorneys Lifetime Achievement. He held high office in respected law groups and was a highly sought-after mediator. In addition to his core legal practice, Scott was intentional about using his talents to serve his community and acted as pro bono counsel for the Terre Haute Humane Society, the Clay County Humane Society, and St. Joseph University Parish.

More than any of his many accomplishments, the greatest source of Scott's pride and joy was his family. Together with Judy Fendrick, Scott took tremendous pride in their six children: Lauren (Patrick) Hart, Carmen (Zach) Hull, Brooklyn Kyrrouac, Tiffany Fendrick, Kylie Fendrick, and Jaxon Kyrrouac; and two grandchildren: Tylen Johnson and Hudson Hart. Scott delighted in sharing his passion for sport with his children, and he loved nothing more than cheering for each of them both on and off the field.

Scott was known for his unmatched work ethic, his quick wit and humor, his larger-than-life, charismatic personality, and his deep love for his family and dedication to his community. He was a man of excellence and great integrity. He was a connector and acted as a mentor and coach to many, and always welcomed the chance to host impromptu basketball practices at his barn - or in his living room. Scott will be greatly missed, and we will all remember his perpetual encouragement to "play on."

In addition to Judy, his children and grandchildren, Scott is mourned by his parents, Richard and Pearl Kyrouac; his sister, Linda Kyrouac Brower (Jack Clasen); his brothers, Jeff (Cindy) and Rick Kyrouac (Terry Chmielewski); many nieces, nephews, and cousins; and countless friends.

A Mass will be held at 10:00am on May 21 at St. Joseph University Parish in Terre Haute, and Scott's family will greet friends at a reception immediately to follow Mass. In lieu of flowers, donations may be made in Scott's honor to a charity that was important to him: Samaritan Ministry at St. Joseph University Parish which provides food and financial assistance to the poor of Vigo County.
