SIMONE T. LEPAGE On September 24, 2003, I reached my final destination in this physical life with peace of mind. In keeping with the beliefs during my living years, I ask that friends and family join Gerry (spouse), David (son) and Dominique (daughter), in celebrating the accomplishments of my life. My goal was always to make someone smile every day which is what I hope the following people continue to do: my parents, Rosaire and Denise Kirouac; sisters and brother, Cecile, Suzanne, Richard (Tina), Jacqueline (Colin); grandmother Delia Lebrun; father-in-law Jim Lepage and in-laws, Sylvia (David), Liliane, Nadine (Murray), Nicole (Tunis), Daniel (Marilyn), nieces, nephews, aunts, uncles and special family friend, Micheline Leger. I would like to extend my sincere gratitude to all those friends and colleagues who helped me during my sickness. A very special thanks to Dr. Ralph P. Wong, Dr. Garcia, Dr. Yip, Dr. Taylor and the caring staff of both the Riverview Health Center, and the St. Boniface Cancer Care. So in keeping with the spirit since I can not cook anymore, I ask that friends and family attend a small gathering in my memory. Please bring a small dish to the St. Louis Center, 445 Tissot, Tuesday, September 30 from 5:00 p.m. to 9:00 p.m. Enjoy yourselves. The family requests and would appreciate, in lieu of flowers, donations to the CancerCare Manitoba Foundation Inc. at 787-4143
