Peoples Bank, Hammes family name 6 scholarship winners Going back to college is always a little easier with a scholarship to cushion the financial burden, and six area students got that boost from their local bank. Peoples Banks of Kankakee County named its six scholarship winners at a recent luncheon. The awards are made available through the bank and the Hammes Family. They are designated each year for two students each at Kankakee Community College, Olivet Nazarene University and the University of Notre Dame. The scholarship winners attending Notre Dame this fall are Zach Gifford and Alexa Russell - each grads of Bradley-Bourbonnais Community High School.
